Transitioning  
with Furniture  
and Homegoods

Contact us...

- If you or someone you know is transitioning from unhoused or similar situations and **needs** gently used furniture or homegoods.
- If you have such items to **donate**.
- If you have a **truck** and/or a **strong back** and a willingness to help.

We work in Larimer Country.

We're not a nonprofit organization since no money changes hands.

We're **People Helping People**.
